NOTE:

- 1). If you can't keep your assigned date for the setting up of the Holy Communion on that Sunday, please swap the date with another Deacon on your own, and post the changes on the bulletin board outside of Mr. Yu's office.
- 2). For those who are assigned to set up the Communion on that Sunday, please be at the church no later than 9:30am. As soon as the Chinese Service has ended, please leave 2 plates and trays (enough for 40 people) on the table in the sanctuary. Then, take the rest up to the second floor meeting, clean up the plates and trays, and give the number of who took Communion to Mr. Yu.
- 3). For those who are assign to clean up after the English Service, please take all of the plates and cups, clean them up and give the number of who took Communion to Mr. Yu.
